TROPICAL STORM ERNESTO SITUATION REPORT # 16 1400 Hours 9 September 2006

New Information in Italics and Bold

SUMMARY

The Virginia Department of Emergency Management/Virginia Emergency Operations Center is at Hurricane Readiness Level 5, Response Operations condition. Efforts now focus on damage assessments and meeting immediate assistance needs.

EXECUTIVE ACTION

EOC Activation: The Virginia Emergency Operations Center is monitoring National Weather Service forecasts, producing Situation Reports, and assisting in damage assessments compilation.

VDEM Priorities: Provide for the health, safety, and welfare of citizens and emergency workers; coordinate an efficient and effective state response effort with heavy emphasis on the City of Richmond; manage an aggressive response to requests for assistance; keep stakeholders and the public informed and compile Preliminary Damage Assessments (PDA).

STATE OF EMERGENCY

Governor Timothy M. Kaine declared a state of emergency for the Commonwealth of Virginia on August 31, 2006, in preparation for Tropical Storm Ernesto.

On 8 September, the Governor requested a presidential disaster declaration for Individual Assistance to include nine localities: the counties of Accomack, Gloucester, Lancaster, Mathews, Middlesex and Northumberland, and the cities of Hampton, Newport News and Richmond and has requested Public Assistance for 25 localities: the counties of Accomack, Caroline, Charles City, Dinwiddie, Essex, Gloucester, Isle of Wight, James City, King William, Lancaster, Mathews, Middlesex, New Kent, Northampton, Northumberland, Richmond, Southampton, Surry, Sussex, Westmoreland and York, and the cities of Hampton, Newport News, Poquoson and Richmond.

Awaiting Marine Resources Commission's recommendation to the Governor on whether or not the Executive Order should be altered to provide a state exemption for pier and shoreline restoration permitting.

Adjacent Jurisdictions:

North Carolina declared a State of Emergency

West Virginia declared State of Emergency.

ESF 15 – External Affairs: A local public advisory to assist with citizen inquiries regarding reporting damage and the potential request for Federal disaster assistance was sent to local emergency managers in VDEM Regions 1 and 5. Coordination of media coverage of joint PDA's and routine response to media and legislative inquiries is ongoing.

WEATHER FORECAST

Although Tropical Storm/Hurricane Florence does not appear to pose a threat to the Commonwealth, the VEOC continues to monitor the storm for potential impacts on response operations.

Tonight: Clear skies with highs in the mid to upper 60's, winds calm.

Sunday: Mostly sunny, highs in the mid 80's, winds NNE at 5-10 mph. Isolated thunderstorms developing during the afternoon in the western part of the state, with a chance of rain around 30%.
